About the timings in the calendar

The Hindu astrological sunrise timing begins when the middle of the disk of the Sun rises to the horizon. The sunrise timings mentioned in the newspapers cannot be used for astrological/Muhurtham purposes. The + (plus sign) right next to the time in the calendar indicates time after midnight (the next calendar date) since Hindu astrological day is from one sunrise to another. The Thiti and Nakshatra timings are their end times.

The 2025 Temple calendar Panchangam and the festival dates are prepared and provided by Pandit Mahesh Shastri at MYPANCHANG.COM
Calculated as per the longitude & latitude of Chicago, Illinois. The Hindu Temple of Greater Chicago is highly thankful to Pandit Ji for his services to the Hindu community and our temple. Pandit Mahesh Shastri provides Hindu Panchangam online at <http://www.mypanchang.com> and information of Hindu auspicious days and festivals at <http://www.seattlepandit.com>. Pandit Mahesh Shastri can be contacted at 425-445-9117 (Mobile)
